Application of American Transmission Company,
as an Electric Public Utility, to Build a New 138 kV

to the Huiskamp Substation in the Towns of Vienna and
Westport, and the Village of Waunakee,
Dane County, Wisconsin.

Docket No.
137-CE-139

VILLAGE OF WAUNAKEE'S MOTION TO INTERVENE

TO: THE SECRETARY OF THE PUBLIC SERVICE COMMISSION

Pursuant to Wis. Stat. § 227.44(2m) and Wis. Admin. Code § PSC 2.21, the
Village of Waunakee hereby moves to intervene in the above-captioned matter.

STATEMENT OF INTEREST IN THE PROCEEDING

1. The Village of Waunakee (the "Village") is a Wisconsin municipal corporation located in Dane County with its principal offices located at 500 W. Main Street, Waunakee, Wisconsin 53597.

2. The Village has a substantial interest in this proceeding because the "Western Route" proposed by American Transmission Company results in a transmission line traveling through the Village and because the "Eastern Route" proposed by ATC results in a transmission line traveling on the periphery of the Village.

3. Both of the proposed routes and, in particular, the Western Route, will have an impact on the Village and its residents, both in terms of environmental effects and the

effect on property in the Village. Both routes could also affect the Village's location, construction and maintenance of infrastructure.

4. For the above reasons, the Village has substantial interest which may be affected by the Commission's action or inaction in this matter and is entitled to intervention by right pursuant to Wis. Admin. Code. § PSC 2.21(1).

5. Alternatively, the Village is entitled to permissive intervention pursuant to Wis. Admin. Code. § PSC 2.21(2) because its participation will "likely promote the proper disposition of the issues to be determined in this proceeding."

6. The Village has interests that differ from, and are not adequately represented by, other parties to this proceeding. Thus, granting the Village's motion to intervene will promote the proper disposition of the issues to be determined in this proceeding.

7. The Village's petition is timely pursuant to Wis. Admin. Code. § PSC 2.21(3).

8. Copies of all future documents and pleadings should be served upon:
